ARTICLE I. IN GENERAL

Sec. 98-1. Utility service beyond city limits.

- (a) *Extensions prohibited.* No sewer or water services maintained, owned or operated by the city shall be extended or connected outside the city limits except to premises or installations that are city-owned or operated.
- (b) *Exceptions.* This section shall not interfere with or abrogate the rights of any users of record connected to the municipal sewer or water services outside the city limits on the date of adoption of the ordinance from which this section is derived.

(Code 1983, § 13.03)

Sec. 98-2. Cost paid by owner.

The developer is responsible for 100 percent of the cost to have an on-site inspector, selected by the city, to observe the construction and installation of all infrastructure.

(Ord. No. OR98-02, § II(13.12(1)(b)(4)), 1-12-1998)

Sec. 98-3. Laterals for each premises.

No sewer or water service laterals shall be connected or installed from the sewer or

water mains to service more than one residential unit. Each duplex living unit, side-by-side housing structures, commercial, industrial or agricultural units, and each such unit serviced shall be separately metered. When a multi-unit building with more than four living units is constructed, a mechanical or storage room shall be provided to facilitate access to water shutoffs to each living unit.

(Ord. No. OR98-13, § I, 5-26-1998)

Secs. 98-4--98-30. Reserved.

ARTICLE II. BOARD OF PUBLIC WORKS*

***Cross references:** Administration, ch. 2.

Sec. 98-31. How constituted.

The councilmembers of the city shall constitute the board of public works.

(Code 1983, § 1.31(1))

Sec. 98-32. Duties.

The board of public works shall perform such duties as are prescribed in Wis. Stats. ch. 62 and such other duties as the council shall impose.

(Code 1983, § 1.31(2))

Secs. 98-33--98-55. Reserved.
