

# WHAT'S NEW AT THE BRILLION PUBLIC LIBRARY

Survey will be accessed through the Library's webpage. There will also be paper copies available at the library for those who are not comfortable with going online. Information will be used in future library planning. Offer your input!

Program date is Wednesday, Sept. 6<sup>th</sup> at 1:30 pm. The Manitowoc Genealogy resources program is moved to December. Program starts at 1:30 pm and is free and open to the public. Hope to see all of you there.

## Book Talking selects new book for September

Book Talking at the Brillion Public Library has selected the book, "Missoula: rape and the justice system in a small town" by Jon Krakauer. Missoula, Montana is a typical college town. The Department of Justice investigated 350 sexual assaults reported to the Missoula police between January 2008 and May 2012. Few of these assaults were properly handled by either the university or local authorities. Krakauer's devastating narrative of what happened in Missoula makes clear why rape is so prevalent on American campuses, and why rape victims are so reluctant to report assault. Program date is Tuesday, September 26<sup>th</sup> at 1:30 pm at the Brillion Public Library. The program will repeat on Thursday, September 28<sup>th</sup> at West Haven starting at 1:30 pm. Copies of the book are available from the Library.

## Storytime takes a break until September
